

I am writing to express my support for K-LOVE and my desire to keep K-LOVE on the air in my community.

K-LOVE serves me by playing excellent, uplifting music that I enjoy.

K-LOVE also covers current events that I am interested in knowing about.

I believe removing K-LOVE from the airwaves in my community would be a tremendous loss. The programming of the station is a beam of light in the darkness of a materialistic and person-centered culture. The focus of the programming is building strong and healthy families and good families are the building blocks of a healthy community. I want to be a contributor to and a member of a loving, diverse, family oriented community and I believe K-LOVE helps my community be just that.
